

Stuart's Landscaping & Garden Center an award winning, well established company with roots firmly planted in the Fox Valley since 1986 is looking for a full-time **Landscape Construction Technician** to join our team. Much of Stuart's Landscaping success has been obtained by the ability to offer our customers the complete package through our four well rounded divisions. Our Landscape Construction, Landscape Maintenance, Retail Garden Centers and Tree Farm are staffed by a group of talented and diverse employees that grow, build and maintain a beautiful environment for our customers. We are seeking a highly motivated, creative individual that will strive to understand and exceed our client's expectations.

The successful candidate will be able to perform following:

- Read landscaping blueprints, reviews plan with tech 1 and implements the landscape construction plan.
- Operate a variety of mechanical equipment including, but not limited to back hoes, bobcats, dingo's, tillers, sod cutters, weed eaters, plant augers, chain saws and drills.
- Operate automatic shift vehicles, such as dump trucks and truck and trailer combinations.
- Assist the project manager in completing the necessary paperwork including time sheets, work orders, change orders, material requisitions and client tickets.
- Assist the project manager in planning and organizing the job, ensuring that sufficient resources and materials are available. Also, ensures that job is completed in the most time-efficient manner.
- Assist the project manager in managing a team of two or more employees, communicating to the General Manager about personnel issues and assisting in the training of employees on policies and procedures.
- Maintain a clean and safe work environment, including work site and equipment.
Brief Project Manager and makes recommendation on job status, personnel issues or client concerns.

The successful candidate must possess the following knowledge, skills, and abilities:

- Experience in the landscape/construction industry, but not required. Stuart's has the resources to train anyone that has the desire to learn.
- Capable of operating required equipment and tools in a safe and responsible manner
- Effective communication skills (both verbal and written)
- Ability to work under pressure and tight deadlines
- Time management skills
- Ability to read and interpret blueprints and specifications
- Knowledge of specific materials, methods, tools and equipment required to complete various landscape/construction practices

Compensation package for this position includes a competitive salary along with a sales goal achieved bonus structure. Full benefits package including Health, Dental, Life, Disability, and a 401k Retirement Plan with company match.
