LANDSCAPE DESIGNER

Stuart's Landscaping & Garden Center an award winning, well established company with roots firmly planted in the Fox Valley since 1986 is looking for a full time **Landscape Designer** to join our team. Much of Stuart's Landscaping success has been obtained by the ability to offer our customers the complete package through our four well rounded divisions. Our Landscape Construction, Landscape Maintenance, Retail Garden Centers and Tree Farm are staffed by a group of talented and diverse employees that grow, build and maintain a beautiful environment for our customers. We are seeking a highly motivated, creative individual that will strive to understand and exceed our client's expectations.

The successful candidate will be able to perform following:

- Follow-up on phone inquiries to our office and meet with prospective clients.
- Solicit prospective clients who may need landscape maintenance or construction services.
- Prepare landscape estimates; develop proposals and present information to clients.
- Maintain communication with client and insure quality and consistency of workmanship.
- Represent Stuart's at various shows and attend local business organization functions for networking purposes.

The successful candidate must possess the following knowledge, skills, and abilities:

- Degree in Landscape Architecture or Design is preferred, but will consider a combination of experience and education.
- A convincing and outgoing personality with excellent people skills.
- A valid Wisconsin driver's license and a good driving record.
- An excellent working knowledge of Green Industry practices and procedures.
- Ability to organize/prioritize a wide variety of tasks/responsibilities.
- Ability to self-direct and self-motivate.
- Proficiency with Microsoft Office including Excel and MS Word.
- Ability to learn company software systems used for estimating, generating contracts and maintaining client information.
- Good interpersonal skills with the ability to present yourself and the company well.
- Effective listening skills and the ability to work in a team environment.

Compensation package for this position includes a competitive salary along with a sales goal achieved bonus structure. Full benefits package including Health, Dental, Life, Disability, and a 401k Retirement Plan with company match.
