

Stuart's Landscaping & Garden Center an award winning, well established company with roots firmly planted in the Fox Valley since 1986 is looking for a **seasonal Loader** employee to join our team. Much of Stuart's Landscaping success has been obtained by the ability to offer our customers the complete package through our four well rounded divisions. Our Landscape Construction, Landscape Maintenance, Retail Garden Centers and Tree Farm are staffed by a group of talented and diverse employees that grow, build and maintain a beautiful environment for our customers. We are seeking a highly motivated, creative individual that will strive to understand and exceed our client's expectations.

The successful candidate will be able to perform following:

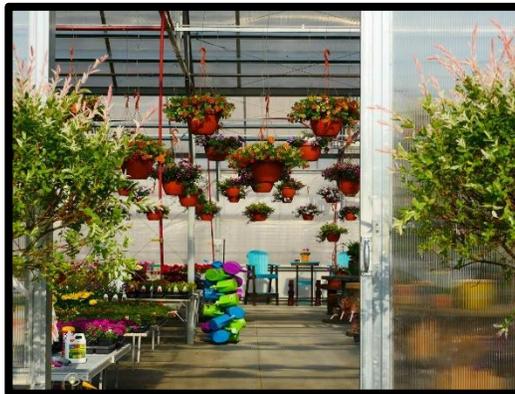

- Move a wide variety of products to the customer's vehicle or to a Stuart's vehicle for delivery to a customer or landscaping job
- Make sure that whatever is loaded in or on to a vehicle is safe and secure so it will not be damaged during transportation
- Keep loading area and yard cleaned and fully stocked with material
- Notify manager of any refilling needs in any of the bins; mulch, dirt, stone and sod
- Make sure proper signage (pricing) are in front of bins/pallets
- Assist other employees with tasks

The successful candidate must possess the following knowledge, skills, and abilities:

- Learn how to use a tractor, dingo, forklift and skid steer to load/unload materials
- Experience on machinery is desirable, but a willingness to learn is crucial
- Strong interpersonal and team work skills
- Ability to manage time effectively with enthusiasm and self-motivation
- Flexible work schedule, including weekend and holidays
- Peak business periods require extended work days and weeks
- Have the ability to lift and move product weighing at least 40lbs
- Check maintenance records of equipment and notify proper personnel of any maintenance needs

If applicable; full benefits package includes Health, Dental, Life, Disability, and a 401k Retirement Plan with company match.
